

The Council recently approved the principle of Edinburgh Leisure managing school sports facilities on behalf of the Council. Edinburgh Leisure are now preparing a delivery model by January 2016.

It is crucial that our clubs in Edinburgh have the chance to present their views on a change in the management of schools. ClubSportEdinburgh is the voluntary local Sports Council for Edinburgh and represents a voice for sports clubs in the city. In order to have a strong, collective voice regarding the proposals we need your views!

Please complete this survey regarding your experiences of using any sport venues in Edinburgh (schools, leisure centres, etc) and return it to clubsportedinburgh@outlook.com by Monday 30th November.

Information provided will be used in a report to Edinburgh Leisure which will help shape their proposals in order to ensure that clubs views are fully taken into account.

If your club use more than 1 venue, please complete the 'Additional Venue Form' as appropriate.

Thank you!
